

## Response to Coronavirus (CoVID-19) Pandemic

To Our Valued Guests,

As it has always been, the health and safety of our guests and team members remains our highest priority. We want our guests to feel confident and comfortable when visiting any of our restaurants, whether to dine in with friends and family or to take out a delicious meal to enjoy at home. Please be assured we have protocols in place and are working with the CDC and local public health officials in response to the worldwide CoVID-19 pandemic.

We take great pride in maintaining the highest standards of cleanliness and hygiene. While we have always had stringent cleaning procedures in place, we are taking additional precautions to help keep our guests and team members safe. You will notice a visibly enhanced level of cleanliness and sanitization while dining in our restaurants. We are asking anyone with Coronavirus symptoms or known exposure to stay home and get well.

At Connor Concepts, we believe it is in challenging times like these that the power of hospitality is needed most of all. We thank you for your loyal patronage and we welcome you into our restaurants.

Sincerely,  
Mike Connor  
President/CEO Connor Concepts, Inc.
